RUST-OLEUM®

VINYL WRAP

REMOVABLE VINYL COATING

ALL WEATHER DURABILITY

VINYL WRAP

Rust-Oleum® Vinyl Wrap is a removable vinyl coating that provides infinite customization for automotive and other applications. It provides a smooth, glossy finish with premium performance and protection from road debris and gasoline. This all-weather coating is great for use on metal, OEM clear coat, glass and more. Recommended removal within 6 months.

- Paint rims, racing stripes or add other customizations to your vehicle.
- Removable vinyl coating allows you to change up your look whenever you want.
- Can go through automatic car wash or be hand washed.
- Gloss Clear must be used over an existing Rust-Oleum Vinyl Wrap color.

WIPE NEW

High quality auto appearance products formulated to restore, clean and shine automotive surfaces.

WIPE NEW® BLAZING WET TIRE SHINE

Dramatically improves the appearance of your tires!

- Stunning deep black, wet-look shine.
- No sling formula - will not spin-off onto body panels.
- Any-Angle Spray with Comfort Tip.
- Resists rain and car wash detergents.

PRODUCT	SIZE	ITEM#	BAR CODE
WIPE NEW Blazing Wet Tire Shine	15 Oz. Spray	365324	020066 486150

WIPE NEW® MIDNIGHT BLACK TIRE SHINE SYSTEM

2 Part tire care system transforms tires from faded and dull to a rich, wet-look shine:

Step 1 Base Coat restores the deep black appearance to dull, faded tires.

Step 2 Top Coat seals in the color and leaves a high gloss shine.

- Provides a defensive coating that repels water, dirt and protects against the sun's UV rays.
- Up to 4X durability* lasts weeks, not days.
- Withstands car wash detergents and rain.

*Compared to other Wipe New Tire Shine Products.
