WHO WE ARE

SUPERIOR PRODUCTS

Miracle Sealants offers a complete line of installation, care & maintenance products for all your tile, granite, marble, slate, travertine, limestone, sandstone, flagstone and grout needs. Since 1983, we have been trusted by professionals for tile and stone care and our blue bottles are recognized nationwide. All products are backed by a 100% satisfaction guarantee so you can feel confident in your purchase decision.

Miracle Sealants is one of the largest care and maintenance brands with products in over 5,000 locations nationwide (USA). Member of Natural Stone Institute and National Tile Contractors Association.

PROFESSIONAL SUPPORT

NATIONAL SALES & SERVICE STAFF

Miracle Sealants offers one of the few national sales forces in the industry. Our representatives are highly trained professionals providing field support to our customers with the latest product and industry knowledge.

TECHNICAL SUPPORT STAFF

Miracle Sealants' Technical Support Staff is available by telephone and/or email to respond to application questions or technical challenge inquiries 5 days a week. A 24/7 email support line is also accessible for customers to email in questions after business hours. 1-800-350-1901 (technicalsupport@miraclesealants.com)

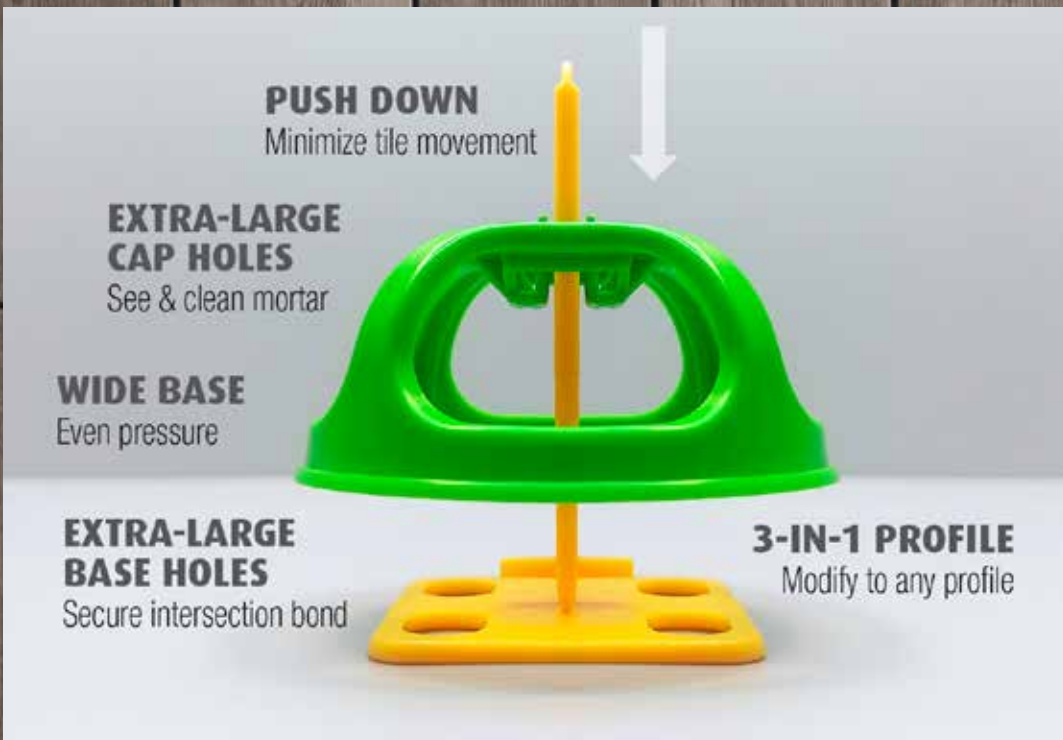

WEBSITE SUPPORT

The Miracle Sealants website provides end-users with immediate information at their fingertips including product information, how-to videos, care guides, technical information and more.

 **ZERO TILE LIPPAGE
PROMISE**

levolution®

TILE SPACING & LEVELING SYSTEM

Levolution® is a revolution in tile spacing and leveling systems for all natural stone and tile sizes up to 1/2" thick, including large format tile. Levolution® is a fast and easy system that allows anyone, professional or DIY user, to install evenly spaced and level tiles in seconds, without any previous experience. It ensures the installation is evenly spaced, lippage free and secure throughout the setting material and curing process.

- Faster & more efficient than traditional methods
- Only 2 pieces per intersection vs. up to 9 pieces with other systems
- Vertical tensioning eliminates scratches and unwanted movement
- Ideal for any standard, large format, warped or flexible tile projects
- Works with all tile sizes & patterns

EASY STEP-BY-STEP INSTALLATION

FOUR SIMPLE STEPS TO ACHIEVE PROFESSIONAL RESULTS

STEP ONE

INSERT SPACER

Lay tiles and insert appropriate sized (1/16", 1/8", 3/16") Spacer.

Note: If using Universal Spacers, customize profile prior to inserting.

STEP TWO

PUSH CAP INTO PLACE

Slide Cap straight down over Spacer.

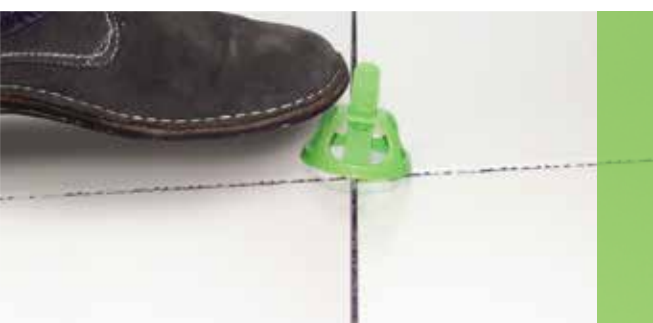

STEP THREE

APPLY TENSION WITH EVOLVER® TOOL

Slide the Evolver® Tool onto the Spacer and pull trigger to apply tension between the Cap and tile until the Cap is firmly holding tile. Tension is adjustable for various thicknesses of tile or stone.

Let tiles fully set/cure (per manufacturer setting material instructions).

STEP FOUR

REMOVE CAP & SPACER

FLOORS Spacer can be kicked (parallel to the Spacer) to break off. On softer natural stones and tiles use Evolver® Tool only to remove Cap and Spacer as explained below for walls.

WALLS Adjust Evolver® Tool tension knob counter clockwise to maximum tension. Place Evolver® Tool back on Spacer and pull trigger until the Spacer breaks off.

CHOOSE SPACERS

SPACER OFFERINGS FOR ANY PROJECT SIZE OR TYPE

UNIVERSAL SPACERS

3-IN-1 PROFILE

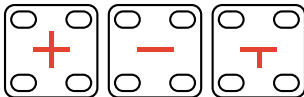

The Universal Spacer takes the guesswork out of profile needs with a customizable spacer profile. Universal Spacers come in a cross profile that can be modified to a flat or T spacer. To adjust to another profile, simply break off the small tab close to the base on either side. Removal of 1 tab = T Spacer. Removal of both tabs = Flat Spacer. Available in 1/16", 1/8" and 3/16".

FEATURES & BENEFITS:

- Customizable 3-in-1 profile
- Ideal for smaller projects
- Large base holes to strengthen fastening

CUSTOMIZABLE 3-IN-1 PROFILE

Available Sizes	1/16"	1/8"	3/16"
SKU Number	LEV116UN5	LEV18UN5	LEV316UN5
UPC	753927 516665	753927 516641	753927 516658

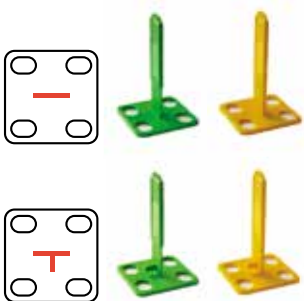

PRESET SPACERS

PRESET PROFILES FOR LARGER PROJECTS

The Pro Spacers are available in pre-set flat or t-spacers for faster installation on large jobs. Available in 1/16th" and 1/8"

FEATURES & BENEFITS:

- Pre-set profile for fast install
- Ideal for large projects
- Large base holes to strengthen fastening

Available Sizes	1/16"	1/8"
SKU Number	LEV116FS5	LEV18FS5
UPC	753927 515958	753927 516009

Available Sizes	1/16"	1/8"
SKU Number	LEV116TS5	LEV18TS5
UPC	753927 515972	753927 516016

HOW DO I CHOOSE THE RIGHT SPACER PROFILE?

FLAT: Used on wall edges

T: Used for offset or brick grid pattern intersections

UNIVERSAL CROSS: Use as-is for stacked or grid layouts, or modify to create flat or T spacers

COMPLETE THE SYSTEM

COMPONENTS TO ENSURE LIPPAGE FREE INSTALLATION

CAPS REUSABLE

A large cap allowing for even pressure distribution for leveling. Open design allows for quick identification if thinset adjustments are needed. The reusable cap can be used with either Universal or Pro Spacers. Decapper Tool included in every bag of caps. Each bag includes 50 reusable caps.

SKU Number	LEVCAPSUN5
UPC	753927 515941

EVOLVER® TOOL

A tensioning tool with adjustable dial for accurate clamping between Cap and Spacer. Comfortable, ergonomic handle and trigger to reduce hand fatigue. The Evolver® Tool is compatible with either Universal or Pro Spacers and profile type.

SKU Number	LEVEVOLUN5
UPC	753927 515989

PROTECT

Protect and extend the life of your natural stone, tile, grout and masonry surfaces. Our impregnating sealers provide a completely **invisible barrier against stains** for easier maintenance. Many are SCS Certified Indoor Advantage Gold to ensure certified compliance with the most rigorous indoor air quality emissions standards in North America.

ALL-PURPOSE PENETRATING SEALERS

511 IMPREGNATOR SEALER

THE ORIGINAL IMPREGNATOR

High-performing solvent-based formula penetrates deep on dense or porous surfaces to protect while still allowing vapor to escape. Ideal for most tile, stone and grout surfaces including granite, quartz, travertine, marble, grout, & cement. The 511 solvent based formula reacts with the stone to form a cross-linking molecular bond that provides long lasting, invisible protection while also strengthening the surface and making it less slippery. Use indoors or outdoors. The high-coverage formula provides outstanding value.

FEATURES & BENEFITS:

- Penetrating protection from weather, stains, oil & water
- Easy wipe-on application
- Non-yellowing
- Grout release
- High-Coverage Formula

Available Sizes	Pint	Quart	Gallon	5-Gallon*	55-Gallon*

Coverage (ft ²)	62.5 - 500	125 - 1,000	500 - 4,000	2,500 - 20,000	27,500 - 220,000

511 POROUS PLUS SEALER

PREMIUM PENETRATING SEALER

Our best performing solvent-based sealer, designed for interior and exterior protection of tile, stone, and masonry surfaces. This versatile, premium performing sealer protects even the most porous surfaces while allowing vapor to escape. The solvent based formula penetrates deep and forms a molecular bond with the surface for long lasting protection. Makes surfaces harder and less slippery, without altering the sheen or appearance of the stone.

FEATURES & BENEFITS:

- Maximum protection from weather, stains, oil & water
- Easy wipe-on application
- Non-yellowing
- Grout release
- High-Coverage Formula

ALL-PURPOSE PENETRATING SEALERS

TILE, STONE & GROUT SEALER

STANDARD SEALER

Tile, Stone & Grout Sealer provides standard, water-based protection to make a surface resistant to moisture and stains. It is safe to use on stone, quartz, tile, grout and pavers and suitable for interior and exterior use.

FEATURES & BENEFITS:

- Economical sealer with a variety of uses
- Grout release
- Soap and water clean-up

Available Sizes	Pint	Quart	Gallon
SKU Number	TSSPT6	TSSQT6	TSSGAL4
UPC	753927 514838	753927 514531	753927 511035
Coverage (ft ²)	25 - 175	50 - 375	200 - 1,500

SPECIALTY SEALERS

COUNTER TOP SEALER

PROTECTS FROM STAINS & WATER

Seals and protects natural and engineered stone surfaces including granite, quartz, marble and more. Professional-grade formula penetrates deep on all types of stone for long-lasting, invisible protection.

FEATURES & BENEFITS:

- Advanced protection from stains, oils and water
- Water-based formula
- CSC Indoor Air Quality Indoor Advantage Gold Certified

Available Sizes	16 oz. Spray
SKU Number	392435
UPC	020066 243210

511 GLASS TILE & SHOWER SEALER

PREVENTS HARDWATER AND MINERAL SPOTS

Specialty sealer minimizes hardwater spots on glass shower doors, glass tile, and glazed surfaces. Repels water and makes it easier to keep surfaces clean. Easy-to-use formula is applied with a simple spray on, wipe off application and lasts several weeks or more between applications.

FEATURES & BENEFITS:

- Reduces cleaning time and keeps glass surfaces clean longer
- Will not streak or smear
- Will not change the clarity of glass

Available Sizes	16 oz. Spray
SKU Number	GTSS160Z6
UPC	753927 516054

GROUT SEALERS

GROUT SEALER PLUS
ANTIMICROBIAL GROUT SEALER

A high performance sealer for all types of grout. This professional grade formula penetrates deep into the grout and helps to protect from water and stains. Grout Sealer Plus contains an antimicrobial additive which inhibits the growth of mold and mildew on the surface of the sealer film. This invisible, water-based penetrating sealer protects while still allowing vapor to escape and surfaces to breathe.

Available Sizes	16 oz. Spray
SKU Number	392627
UPC	020066 248079

FEATURES & BENEFITS:

- Protects from water-based and oil-based stains
- Antimicrobial protection - actively prevents the growth of mold and mildew*
- Low odor, water-based formula

*Contains an additive which inhibits growth of mold and mildew on the surface of the coating film

511 SPRAY-ON SEALER
AEROSOL GROUT SEALER

A convenient, solvent-based aerosol spray designed for the protection of all stone, tile, quartz, pavers and other cementitious grout surfaces that can be applied to the grout before it has dried or cured completely. 511 Spray-On Grout Sealer forms an invisible barrier that offers maximum stain protection without altering the look of the grout.

Available Sizes	15 oz. Aerosol Can
SKU Number	GRTSLRAEROCs
UPC	753927 513640
Coverage (ft ²)	Up to 250

FEATURES & BENEFITS:

- Apply same day as grouting – within 2 hours
- Weather, stain, oil & water resistant
- Utilizes similar technology as the 511 Impregnator to provide superior protection
- Great for vertical applications and textured surfaces

GROUT SEALER
NATURAL LOOK PENETRATING SEALER

Grout Sealer is a water-based sealer designed for the protection of all sanded and non-sanded grout joints. This product forms an invisible barrier that is resistant to moisture and stains while allowing vapor to escape. Grout Sealer will not alter the appearance of the surface and comes with a unique applicator tip for easy application.

Available Sizes	6 oz. Applicator Bottle
SKU Number	GRTSLR6OZ12
UPC	753927 511318
Coverage (ft ²)	25 - 75

FEATURES & BENEFITS:

- Brush applicator tip allows for safe and easy application
- Protection from weather, stains, oil & water
- Ideal for all sanded and unsanded cementitious grout joints
- Non-yellowing
- Soap and water clean-up

WHY SHOULD STONE, TILE AND GROUT BE SEALED?

Natural stone and grout sealers/impregnators protect surfaces from stains and allow for easier ongoing maintenance.

GROUT RELEASE SEALER

GROUT RELEASE PRE-GROUT SEALER

Intended to be used during installation, a unique pre-grout sealer designed for the protection of all ceramic & quarry tile, quartz & engineered stone, marble, granite, travertine, limestone, terrazzo, pavers, porcelain and natural stone surfaces.

Available Sizes	Quart
SKU Number	GRTRELQT6
UPC	753927 516610

FEATURES & BENEFITS:

- Penetrates into pores to form barrier resistant to grout residue
- Allows for easy clean-up of grout haze following application

GROUT ADDITIVES

GROUT SHIELD GROUT ADDITIVE

Specialty grout additive is used instead of water when mixing sanded or unsanded cementitious grout. Improves stain protection and strength of grout. Works with all types of cementitious grouts. 70 oz. bottle per 25 lb. bag of grout.

Available Sizes	70 oz. Bottle
SKU Number	GRSHNI2
UPC	753927 514678

FEATURES & BENEFITS:

- Improves compressive, tensile & flexural strengths
- Improves water & stain resistance and color consistency
- Works with all manufacturers' grouts

ACCESSORIES

MIRA BRUSH APPLICATOR & TRAY

DESIGNED FOR USE WITH MIRACLE SEALANTS PRODUCTS

The Mira Brush is a unique hand applicator designed for use with Miracle Sealants products. A foam reservoir disperses solution evenly onto the surface. In addition, a convenient applicator tray is included.

SKU Number	APLTRAY8
UPC	753927 513718

WHAT'S THE DIFFERENCE BETWEEN SOLVENT-BASED AND WATER-BASED?

Both are vehicles that take the protection (silicone and or polymers) into the substrate. Solvents have deeper penetration with denser materials, like polished granite and even porcelain tile, making it the ideal carrier for coverage and protection.

WHERE SEALERS CAN BE USED

CLEAN & PROTECT THROUGHOUT THE HOME

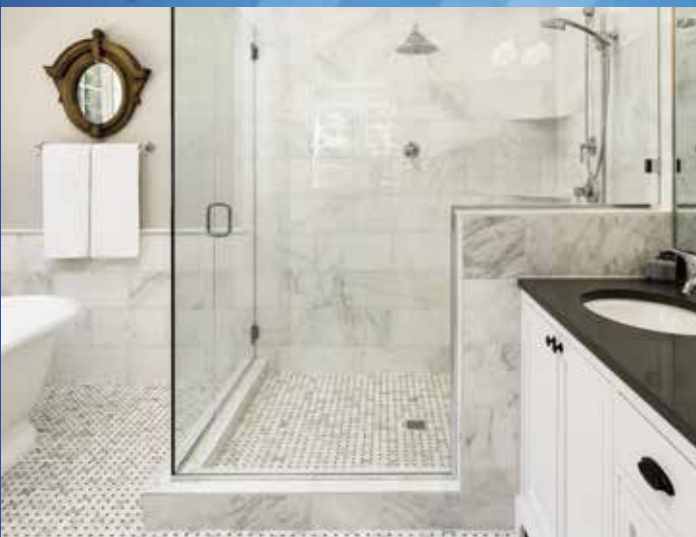

**COUNTERTOPS &
BACKSPASHES**

**FLOOR TILE
& GROUT**

**SHOWERS &
WALLS**

**FIREPLACES, OUTDOOR PAVERS,
STONE FACADES & STATUES**

ENHANCE NATURAL COLOR & SHINE

Protect and enhance in one easy, no hassle step. Use when deepened color and luster are desired for old or new textured surfaces like tumbled, sand blasted, cleft, flamed, split face, or honed surfaces (smooth but low or non-reflective), and even some polished surfaces. Miracle Sealants' sealing and enhancing products will enhance, protect and maintain the desired look for years to come. In addition, many products are designed to maintain the beauty of highly polished surfaces on a regular basis.

PENETRATING SEALER & ENHANCER

511 SEAL & ENHANCE

ONE-STEP SEALER & ENHANCER

A one-step, solvent-based formula designed for maximum stain protection and superior color enhancement. This premium, non-film forming sealer provides long lasting protection while still allowing vapor to escape from natural stone and grout.

FEATURES & BENEFITS:

- Penetrating protection from weather, stains, oil & water
- Easy wipe-on application
- Superior coverage
- Non-yellowing
- Grout release

Available Sizes	Pint	Quart	Gallon	5-Gallon*	55-Gallon*

Coverage (ft ²)	31.5 - 500	61 - 1000	244 - 4000	1220 - 20,000	13,420 - 100,000

TOPICAL SEALERS & ENHANCERS

MIRA MATTE WET-LOOK SEALER & ENHANCER

COLOR ENHANCER AND TOPICAL SEALER

A satin solvent-based finishing product that enhances the color and sheen of tumbled, acid-washed, flamed, or textured natural stone, terracotta, Saltillo, textured concrete tile, brick and grout. The satin finish creates a scuff resistant, beautiful finish. The UV transparent, non-yellowing sealer can be used both interior and exterior. Not recommended for polished, glazed or non-porous surfaces.

FEATURES & BENEFITS:

- Professional formula for textured stone and tile surfaces
- Film forming protection provides scuff, stain and weather resistant surface
- Interior or exterior protection
- Superior coverage with satin sheen
- Non-yellowing

Available Sizes	Quart
SKU Number	MATTE6QT
UPC	753927 511165
Coverage (ft ²)	50 - 200

HIGH-GLOSS FINISH SEALER

FOR TEXTURED STONE SURFACES

High-Gloss Finish Sealer enhances the natural color of all flamed, sand blasted, split face, tumbled and textured surfaces. When used with one of our penetrating sealers, High-Gloss Finish Sealer seals and protects while leaving a beautiful, low maintenance, color enhanced high-gloss sheen.

FEATURES & BENEFITS:

- Professional formula for textured stone surface
- Film forming protection provides scuff, stain and weather resistant surface
- Water-based, low-odor
- Superior coverage with high gloss sheen
- Non-yellowing
- Soap and water clean-up

Available Sizes	Quart	Gallon
SKU Number	HGFS6QT	HGFS4GAL
UPC	753927 511356	753927 511363
Coverage (ft ²)	50 - 200	200 - 800

MATTE FINISH SEALER FOR TEXTURED STONE SURFACES

Matte Finish Sealer is a water-based film forming formula for slate, saltillo, terra cotta, porous unglazed tile and other concrete & masonry surfaces. It leaves a beautiful, low maintenance, color-enhanced satin sheen.

Available Sizes	Quart
SKU Number	MFSQT6
UPC	753927 514555
Coverage (ft ²)	50 - 200

FEATURES & BENEFITS:

- Professional formula for smooth & textured surfaces
- Film forming protection provides scuff and weather resistance
- Water-based, low-odor
- Superior coverage with satin sheen
- Non-yellowing
- Soap and water clean-up

511 ANTI-SLIP FORMULA SLIP PROTECTION FOR ALL SURFACES

This product is designed for the anti-slip protection of all tile and stone surfaces. While providing a less slippery surface, this product will not alter the natural look of the stone.

Available Sizes	Quart
SKU Number	ANTISLIP6
UPC	753927 514548

FEATURES & BENEFITS:

- Increases coefficient of friction on tile surfaces
- Can be used on nearly all tile
- Non-film forming, allows vapor to escape
- Can be used indoors or outdoors

MIRACLE GROUT PEN

DON'T BLEACH YOUR GROUT – RENEW IT

The safe, easy way to maintain beautiful tile areas by covering up stubborn stained grout! Miracle Grout Pen Markers dry rapidly and leave a clean, uniform grout line without harsh chemicals or fumes!

0.25 fl. oz. fill : 35 sq. ft. or 175 linear feet

FEATURES & BENEFITS:

- Covers mold and mildew stains easily
- Easy-to-use pen with non-slip comfort grip
- Reversible nib allows for multiple uses
- Dip nib in water for thinner coverage
- Soap and water clean-up

Color	White	Buff
SKU Number	GRTPENWHT6	GRTPENBUF6
UPC	753927 513985	753927 514005
Coverage (ft ²)	up to 35 sq. ft. or 175 linear feet	

DO YOU APPLY ENHANCERS FIRST?

511 Seal & Enhance is a sealer and color enhancer in one that can be used like any Miracle Sealants impregnator. Seal prior to grouting as a grout release. Seal after excess grout has been removed to protect your final look.

WHAT SEALANTS DRAMATICALLY CHANGE THE LOOK?

A more porous surface, such as slate or sandstone, will give you a deeper, more dramatic look due to a higher absorption rate. Examples of Miracle products that will enhance your look include: 511 Seal & Enhance, Mira Matte, High-Gloss Finish Sealer or Matte Finish Sealer.

CLEAN & MAINTAIN

All Miracle Sealants cleaning products are highly effective and safe for use on designated surfaces. Designed to work in conjunction with our protecting sealants/impregnators and enhancers, these products will maintain the integrity of your investment for years to come. The product offerings cover everything needed for day-to-day, week-to-week, and as-needed maintenance.

DAILY CLEANERS

TILE & STONE CLEANER

ALL-PURPOSE CLEANER

Tile & Stone Cleaner is a pH neutral cleaner designed for all tile, stone, grout and masonry surfaces. Tile & Stone Cleaner can handle the most difficult stains, yet is gentle enough for everyday use. Available in ready-to-use sprays or quart and gallon concentrate for diluting options.

FEATURES & BENEFITS:

- Heavy-duty, multi-purpose formula
- pH neutral cleaner
- Available in ready-to-use spray and concentrate for diluting
- Can neutralize acids

Available Sizes	32 oz. Spray	Quart	Gallon
SKU Number	TSC6320ZR	TSC6QT	TSC4GAL
UPC	753927 514623	753927 511080	753927 511097
Coverage (ft ²)	up to 2500	up to 2500	up to 10,000

COUNTER KLEEN

DAILY MAINTENANCE CLEANER

Counter Kleen is a ready-to-use daily cleaner. Simply and safely wipe away messes without rinsing or leaving behind residue. Designed specifically for tile, stone and quartz counters and backsplashes.

FEATURES & BENEFITS:

- No rinsing, no streaking and no soapy residue left behind
- Easy and safe to use
- Ideal for countertops, vanities and backsplashes

Available Sizes	32 oz. Spray
SKU Number	COUKL320Z6
UPC	753927 512759
Coverage (ft ²)	up to 500

511 KLEEN & RESEAL

SPRAY & WIPE CLEANER AND RESEALER

511 Kleen & Reseal removes dirt and soil from natural stone and tile, including vanities, showers and furniture and reseals in one easy step. 511 Kleen & Reseal will cut through dirt and soil with no rinsing, streaking, or soapy residue left behind. Use 511 Kleen and Reseal daily to cut through grime while also helping to maintain the protective sealer coating on your stone, tile, grout and beyond.

FEATURES & BENEFITS:

- No rinsing, no streaking and no soapy residue left behind
- Reseals with each use – contains 511 H2O Plus for superior protection
- Neutral pH is safe for all surfaces
- Non-abrasive and easy-to-use

Available Sizes	32 oz. Spray
SKU Number	KLRE320Z6
UPC	753927 513701
Coverage (ft ²)	up to 500

DAILY CLEANERS

DAILY CLEANER

POWERFUL CLEAN, STREAK-FREE SHINE

Powerful, no-rinse cleaner effectively cuts through grease, dried-on food and spills. pH-neutral formula is safe for regular use on all natural and engineered stone surfaces including polished granite, marble & quartz.

FEATURES & BENEFITS:

- Made with essential oils and naturally derived fragrance
- Free of phosphates, phthalates and ammonia

Available Sizes	24 oz. Spray
SKU Number	392432
UPC	020066 243081

CLEAN, SHINE & PROTECT

MAKES SURFACES EASIER TO CLEAN

Cleans, polishes and protects with each application. Ceramic Protection repels spills and makes surfaces easier to clean. For use on natural and engineered countertops including granite, marble & quartz.

FEATURES & BENEFITS:

- Made with essential oils and naturally derived fragrance
- Free of phosphates, phthalates and ammonia
- Clean, shines & protects with each application

Available Sizes	24 oz. Spray
SKU Number	392433
UPC	020066 243098

HARDWOOD & BAMBOO FLOOR CLEANER

SPRAY & WIPE CLEANER

Hardwood & Bamboo Floor Cleaner is formulated specifically for hardwood and bamboo surfaces. This ready-to-use cleaner does not require any rinsing and does not leave residue.

FEATURES & BENEFITS:

- Ready-to-use product – requires no rinsing and leaves no residue
- Just spray and wipe
- Ideal for hardwood and bamboo floor surfaces

Available Sizes	32 oz. Spray
SKU Number	HBFC320Z6
UPC	753927 516733
Coverage (ft ²)	up to 250

LAMINATE & VINYL FLOOR CLEANER

SPRAY & WIPE CLEANER

Laminate & Vinyl Floor Cleaner is formulated specifically for laminate and vinyl surfaces. This ready-to-use product makes for easy cleaning without rinsing or residue.

FEATURES & BENEFITS:

- Ready-to-use product – requires no rinsing and leaves no residue
- Just spray and wipe
- Ideal for laminate and vinyl floor surfaces

Available Sizes	32 oz. Spray
SKU Number	LVFC320Z6
UPC	753927 516757
Coverage (ft ²)	up to 250

LIMESTONE/TRAVERTINE STONE SOAP

SPECIALTY NO RINSE MAINTENANCE CLEANER

A specially formulated no-rinse stone soap designed for easy ongoing maintenance of honed, tumbled, textured limestone, marble, travertine, terrazzo and other stone containing calcium. This soap produces a protective film that protects the surface of the stone. Limestone/Travertine Stone Soap only reacts with the calcium in the stone so there is no risk of buildup like a traditional floor coating. Non-textured surfaces can be buffed with a floor machine and white nylon pad for added patina or shine. Helps create old world finish.

FEATURES & BENEFITS:

- Easy-to-use, no rinse formula
- Does not build up and protects surfaces while hiding scratches & etch marks
- pH neutral

Available Sizes	Quart
SKU Number	LTSS6QT
UPC	753927 511141
Coverage (ft ²)	250 - 1750

DEEP CLEANERS

PORCELAIN & CERAMIC TILE CLEANER

ABRASIVE SCRUBBING CREAM

Porcelain & Ceramic Tile Cleaner penetrates and scours to remove stubborn stains, grease, soap scum, heel and scuff marks, dirt and everyday grime. It will also remove hard water deposits and soap scum on non-polished stone showers, and also works great on grout.

FEATURES & BENEFITS:

- Penetrating chemistry clings to surface to remove stubborn stains and everyday grime
- Professional abrasive formula for deep clean results
- Cleans surface and grout with application by hand or using a floor machine

Available Sizes	Quart	Gallon
SKU Number	PCTCQT6	PCTCGAL4
UPC	753927 511967	753927 511974
Coverage (ft ²)	500 - 1000	2000-4000

MIRACLE GROUT CLEANER

HEAVY DUTY, SURFACE SAFE

A professional strength cleaner that removes deep grime and build-up, yet is safe for regular use on all stone, tile and grout surfaces including marble, travertine, limestone, Saltillo, glazed and unglazed tile, and all types of grout. The pH-neutral formula dissolves and lifts dirt, grime, grease, food and drink stains and other build-up. Great for bathrooms, kitchens, walkways and more.

FEATURES & BENEFITS:

- Heavy duty, pH-neutral formula
- Professional strength cleaner
- Surface safe

Available Sizes	32 oz. Spray
SKU Number	392628
UPC	020066 248086

GROUT CLEANER & BRIGHTENER

HEAVY DUTY GROUT RESTORER

A heavy duty acidic cleaner designed to deep clean and restore heavily stained and discolored grout and tile. This professional strength formula quickly dissolves heavy build-up of dirt and grime, hard water and mineral deposits, rust, efflorescence and other accumulated soils. For use on porcelain, ceramic, slate and other non acid-sensitive tile in bathrooms, kitchens, floors, walkways and other areas.

FEATURES & BENEFITS:

- Industrial strength acidic formula
- Brightens and restores heavily stained grout
- Fast acting formula works with minimal scrubbing

Available Sizes	32 oz.
SKU Number	392622
UPC	020066 036676

DEEP CLEANERS

HEAVY-DUTY CLEANER (ACID SUBSTITUTE)

HEAVY DUTY, NON-ACID CLEANER AND GROUT HAZE REMOVER

A revolutionary water-based industrial cleaner that is designed to remove grout haze, built-up grease, dirt and stains from all ceramic, porcelain, grout, pavers, glass and natural stone. Miracle Heavy-Duty Cleaner addresses dirt and grime at the molecular layer penetrating deep underneath the staining agent.

Available Sizes	32 oz. Spray	Quart	Gallon
SKU Number	371645	MHDCQT6	MHDCGAL4
UPC	020066 495114	753927 516092	753927 516085
Coverage (ft ²)	43 - 87	43 - 87	175 - 350

FEATURES & BENEFITS:

- Ready-to-use
- Industrial strength cleaner, cleans like an acid without the harmful effects
- Non-corrosive water-based cleaner leaving behind a monomolecular layer on the surface resistant to future dirt and stain build-up
- Great for removing cement, acrylic, urethane, some epoxy grout hazes, grease, permanent marker, motor oil, soap scum, mineral deposits and more
- Weather, stains, oil & water resistant

PHOSPHORIC ACID CLEANER

FAST-ACTING MILD ACID CLEANER

Cleaning for cast surfaces including pre-cast concrete, non-polished natural surfaces, including flamed and honed granite, tumbled and honed marble, cleft and honed slate, quarry tile, flamed and honed limestone, unglazed ceramic tile, porcelain tile, cement grout, brick, concrete, mortar and masonry. Removes sanded grout and mortar residue, dirt build up, efflorescence, hard water deposits and rust. Not to be used on polished or acid sensitive stones like marble.

Available Sizes	Quart	Gallon
SKU Number	PHOSQT6	PHOSGAL4
UPC	753927 512155	753927 512162
Coverage (ft ²)	125 - 625	500 - 2500

FEATURES & BENEFITS:

- Easy-to-use
- Removes sanded grout and mortar residue, dirt build-up, efflorescence, hard water deposits and rust
- Dilutable for any project size
- Milder than other acidic cleaners, but still fast acting

HEAVY-DUTY ACIDIC CLEANER

ACID-BASED CLEANER AND GROUT HAZE REMOVER

A fast-acting, heavy-duty acid cleaner for textured, non-polished, natural and manufactured surfaces. Heavy-Duty Acidic Cleaner removes sanded grout and mortar residue, joint cement, lime and hard water deposits, efflorescence, rust and other heavy dirt and grime. Not to be used on polished or acid sensitive stones like marble.

Available Sizes	Quart	Gallon
SKU Number	HDAC6QT	HDAC4GAL
UPC	753927 511578	753927 511585
Coverage (ft ²)	500 - 1000	2000 - 4000

FEATURES & BENEFITS:

- Fast-acting, strong acid, heavy-duty cleaner
- Easy-to-use, dilutable formula for large or small projects
- Ideal for textured, non-polished, natural and manufactured surfaces

LIQUID POULTICE

STAIN DISSOLVING, SURFACE SAFE CLEANER

Liquid Poulitice is a safe cleaner designed for deep cleaning all porous materials and grout including acid sensitive surfaces. The cleaning action of Liquid Poulitice penetrates deep into the pores of the surface to safely lift out various types of dirt and grime. Liquid Poulitice is especially effective for cleaning organic materials like coffee and tea.

Available Sizes	Quart
SKU Number	LIQQT6
UPC	753927511127
Coverage (ft ²)	125 - 500

FEATURES & BENEFITS:

- Dissolves deep, embedded stains
- Works without scrubbing
- Non-Acid formula is safe on polished and acid-sensitive natural stone

POULTICE PLUS POWDER MIX

STAIN REMOVING ABSORBENT POWDER

An easy to use, fine, non-acidic absorbent powder designed to work with different cleaners/chemicals to draw out most stains from the most absorbent surface materials. Poultice Plus is effective at removing stains that are deep in the substrate.

Available Sizes	1 lb.
SKU Number	POULTPLUS3
UPC	753927 512148
Coverage (ft ²)	5 - 10

FEATURES & BENEFITS:

- Easy-to-use powder
- Fast & effective
- Non-acidic, non-bleach

REMOVERS & STRIPPERS

RESIDUE REMOVER

SEALER HAZE AND RESIDUE REMOVER

A unique solvent-based formula designed to remove accumulated sealer residue build-up on the surface, due to over applying solvent-base penetrating sealers/ impregnators. Residue Remover is also useful for cleaning application tools for re-use.

Available Sizes	Quart	Gallon
SKU Number	RESREMQT6	RESREMGAL4
UPC	753927 512711	753927 512728
Coverage (ft ²)	125 - 500	500 - 2000

FEATURES & BENEFITS:

- Solvent-based formula
- Fast-acting and easy-to-use
- Professional grade properties

EPOXY GROUT FILM REMOVER

EPOXY AND PREMIXED GROUT HAZE REMOVER

Epoxy Grout Film Remover is a non-acid cleaner that removes grout haze, film or residue from epoxy and premixed grouts including acrylic and urethane based grouts.

Available Sizes	Quart	Gallon
SKU Number	EPOREMQT6	EPOREMGAL4
UPC	753927 511509	753927 511523
Coverage (ft ²)	up to 62 - 125	up to 250 - 500

FEATURES & BENEFITS:

- Fast-acting formula
- Works even on fully cured grout residue
- Ideal for ceramic tile, porcelain tile, natural stone and concrete
- Works great on Acrylic and Urethane based grouts

FINISH SEALER STRIPPER

WATER-BASED STRIPPER

A fast-acting, high potency stripper designed to remove exaggerated build up of wax finish or acrylic emulsions. Finish Sealer Stripper is also an effective stripper for removing some epoxy grout films, heavy soil, dirt, tar, grease and other stains from porous surfaces. Finish Sealer Stripper actually cleans as it strips leaving the surface ready for the next application of Miracle Sealants Impregnator or Finish Sealer. NOT FOR USE ON POLISHED MARBLE, LIMESTONE OR TRAVERTINE SURFACES.

Available Sizes	Quart	Gallon*
SKU Number	FSS6QT	FSS4GAL
UPC	753927 511851	753927 511868
Coverage (ft ²)	50 - 75	200 - 300

FEATURES & BENEFITS:

- Fast-acting, easy-to-use formula
- Easily removes epoxy grout film and other stains from porous surfaces
- Recommended for removing High Gloss Finish Sealer and Matte Finish Sealer when necessary

BEFORE SEALING "CLEAN IT!"

When the time comes to re-seal your natural stone, ceramic/porcelain tile & grout, be sure that it is sufficiently cleaned. Refer to the product recommendation chart for appropriate products to be used on specific surfaces.

For additional cleaning tips and general information go to rustoleum.com/miraclesealants

RESTORE

Designed for bringing new life into natural stone, tile and grout. Miracle Sealants restorative products have been used around the world on some of the most prestigious properties and buildings. These products include abrasive powders to restore and maintain honed, textured and polished surfaces including natural stone, ceramic and porcelain tile. As an industry leader, Miracle Sealants offers an expert technical support staff to assist in challenging restorative procedures.

POWDERS & REMOVERS

**MIRA DUST****FAST-ACTING POLISHING COMPOUND**

Mira Dust is a fast-acting polishing powder designed to enhance the natural shine of natural stone surfaces. Mira Dust can be used for the final polish of a restoration process or for use as an easy ongoing maintenance procedure. Must be used with a floor or hand machine.

Available Sizes	1 lb.
SKU Number	DUST3LB
UPC	753927 512650
Coverage (ft ²)	150 - 300

FEATURES & BENEFITS:

- Easy-to-use and blends well
- Removes light scratches and acid etch marks in addition to polishing
- Non-oxalic acid, non-wax coating
- Ideal for use on marble, travertine, limestone and terrazzo

**MIRA HONE****RESTORE WORN SURFACES**

Mira Hone is a natural, non-wax powder compound for honing and deep cleaning marble, travertine, limestone and terrazzo. Mira Hone can effectively be used on floors with "lippage" to remove scratches, etch marks and light weight traffic patterns. Must be used with a floor or hand machine.

Available Sizes	1 lb.
SKU Number	MIRHON
UPC	753927 512605
Coverage (ft ²)	80 - 115

FEATURES & BENEFITS:

- Easy-to-use professional formula blends & cleans
- Great for preparing the stone surface prior to using one of Miracle Sealants final polishing products
- Non-wax, non-yellowing powder
- Ideal for use on marble, travertine, limestone and terrazzo

**WATER RING & ETCH REMOVER****RESTORES NATURAL POLISH**

Water Ring & Etch Remover is a fast-acting polishing powder specially formulated to remove water rings, light scratches and etch marks. Can be used with a floor or hand machine. Not for use on granites or synthetic surfaces.

Available Sizes	4 oz. Bottle
SKU Number	WATRINEREM12
UPC	753927 511912
Coverage (ft ²)	37.5 - 75

FEATURES & BENEFITS:

- Non-oxalic acid formula
- Easy-to-use, fast & effective powder
- Ideal for marble, terrazzo, travertine, limestone and other natural stone

**MIRACLE TRAVERTINE FILL KIT****REPAIR HOLES, VOIDS AND CRACKS**

The Miracle Travertine Fill Kit permanently repairs holes, missing travertine fill and cracks. The search is over for an easy-to-use complete travertine fill kit. With both light and dark powder included, the color matching options are endless. Kit also contains putty knife and stir stick for easy application.

Available Sizes	Kit
SKU Number	TRAVFIL6
UPC	753927 515750
Coverage (ft ²)	50 - 200 per kit

FEATURES & BENEFITS:

- Provides increased durability for long-lasting repairs
- Dries to a matte finish
- Just add water, mix and apply
- Professional formula for all travertine and limestone

SALES COLLATERAL

IN-STORE SUPPORT

With an extensive product assortment, Miracle Sealants offers resources and in-store merchandising elements to help display and inform our end users. Our catalog includes all-inclusive charts that outline product attributes and recommend which products to use on which surfaces. Displays include consumer literature that educates the end user on product best practices and step-by-step instructions for successful installation using Revolution. Sample packs of product are available to showcase Miracle Sealants quality and performance.

FAQs ABOUT IMPREGNATORS & SEALERS

WATER-BASED VS. SOLVENT-BASED

DUE TO TECHNOLOGICAL ADVANCES IN THE TILE AND STONE INDUSTRY, SEALING IS NOT ONLY ACCEPTED, BUT IN MANY CASES IT IS SPECIFIED.

- Contractors typically use an impregnator/penetrating sealer as a grout release to save on labor. It is less costly to use a grout release than an acid wash.
- Surfaces that have been sealed with an impregnator/penetrating sealer clean up much faster and easier than those that haven't.

HOW DO SOLVENT-BASED AND WATER-BASED IMPREGNATORS WORK?

- Only way to protect the substrate is to make sure it gets into the tile and stone surface.
- The protection can be silicone, silanes, siloxanes, fluoropolymer, etc.
- Solvent will allow typically deeper penetration into the substrate than water.
- Because of its micro-molecules, solvent-based products can allow a wider temperature window for application, better durability and typically are unaffected by exposure to cold during storage and transport.
- Water-based formulas have lower odor during application and are ideal in closed area with limited ventilation.

WHAT CAN AN IMPREGNATOR/PENETRATING SEALER DO?

- Resist many different elements such as water, acidic or acid rain, soap scum and other penetrating items.
- Makes the surface less slippery, more dense, allows water vapor transmission, and will not change the natural look of the surface.
- Creates a surface that's easier to clean and protect.

100% SATISFACTION GUARANTEE WARRANTY

If the user is dissatisfied with any Miracle Sealants or Levolution product, contact Rust-Oleum Product Support at **800-350-1901** for product replacement or a full refund of the purchase price. Refer to product number and batch code.

511 SOLVENT-BASED 20 YEAR WARRANTY

511 Impregnator 511 Porous Plus 511 Seal & Enhance

Satisfaction guaranteed up to 20 years from the date of purchase to the original purchaser. If not completely satisfied with product performance, when used as directed, contact Rust-Oleum for product replacement or at its option, refund of the purchase price upon return of unused portion with the original dated receipt.

511 WATER-BASED 10 YEAR WARRANTY

Satisfaction guaranteed up to 10 years from the date of purchase to the original purchaser. If not completely satisfied with product performance, when used as directed, contact Rust-Oleum for product replacement or at its option, refund of the purchase price upon return of unused portion with the original dated receipt.

EXCLUSIONS

1. Replacement costs for labor and installation materials such as tile, natural stone, grout, setting materials, under floor heating, electrical, plumbing and any other costs associated with the installation.
2. Improper installation.
3. Improper use of maintenance and household products.
4. Ordinary wear & tear.
5. Grout related issues including but not limited to staining, color variation, discoloration, cracking, chalking, mildew or mold.
6. Any item which might be expected to damage the product including but not limited to: abuse, negligence, falling objects, fire, earthquake, tornado or other natural disaster, exposure to extreme heat or accident.
7. Commercial use which constitutes store, office or other place of business.
8. Outdoor use.
9. Variations between field and trim; tile and stone.
10. Natural variations from design and color samples or photos.
11. Any color or shade variations, different markings, holes, pits, inclusions, veining, density and any element inherent to natural stone and tile surfaces.

PROCEDURE FOR MAKING A CLAIM

The original purchaser must notify Rust-Oleum of the defect in writing within 30 days of discovery. Original purchaser must supply unused product and the original purchase receipt. Failure to produce documentation renders warranty null and void in its entirety.

No claim will be honored unless Rust-Oleum is given an opportunity to inspect the allegedly defective product. Failure to produce product for inspection renders the warranty null and void in its entirety. After inspection, Rust-Oleum will replace product or at its option, refund of the purchase price of the product.

Some states do not allow exclusion or limitation of incidental or consequential damages.

To make a claim or for any questions, please contact 800-323-3584
