

CRAFT & HOBBY

 **RUST-OLEUM**

A Tradition of Quality & Innovation

Founded as a line of premium hobby paints almost 100 years ago, Testors is the most recognized and trusted brand name in the craft and hobby industry. Crafters and hobbyists have a deep, emotional connection to the Testors brand because of its reputation for quality and the breadth of its products. Testors, along with Testors Craft, delivers products that help consumers of all ages create custom and beautifully finished masterpieces, as well as cute and whimsical crafts.

Testors colors are consistent in aerosols, brush-on paints and markers, ensuring color matching in every project. Loyal customers are a testament to the reliable color consistency of Testors paints.

In addition to enamel, acrylic and specialty project paints, Testors include Extreme Lacquer sprays, brushes, cement, glue and tools to complete virtually any craft or hobby project.

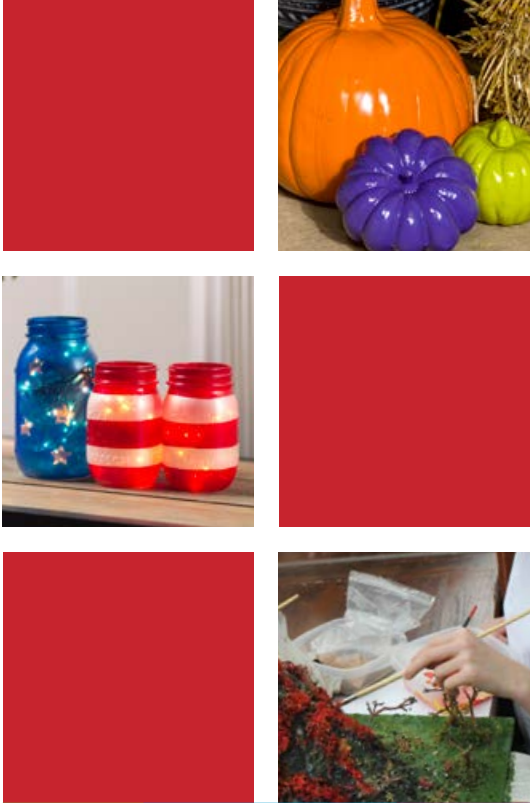

Testors has inspired crafters and hobby enthusiasts since 1929.

INTENSE GLITTER BRUSH PAINT

Intense Glitter Brush Paint is a semi-transparent glitter finish that provides multi-dimensional shimmer and sparkle. Can be applied to wood, metal, plastic, drywall and hardboard. Brush-on formula provides a decorative glitter finish without the mess.

- No sealer required and smooth to the touch.
- Excellent adhesion to most surfaces.
- Shimmer increases as multiple coats are layered.

PAINT PENS

Chrome Paint Pens give projects a brilliant, mirror-like shine. Pearl paint pens offer a subtle shimmer effect.

- Rich color saturation.
- Smooth flow.
- Dual tip that allows crafters to change from a chisel tip for fine lines or a bullet tip for thick lines.
